CALIFORNIA® Churros - Authentic Loop Churros

Escape to the streets of Spain, as you indulge in a long-standing tradition that are churros. This sweet pastry dough, which is traditionally paired with chocolate and rolled in cinnamon sugar, is a cornerstone to the Spanish culture. These hand-crafted, loop shaped churros are new to the California Churro® brand, capturing the most original style with a more premium look. To us, churros are a way of life, a true delicacy.
