

The background of the entire image is a close-up, high-angle shot of several funnel cakes. The cakes are golden-brown, with a complex, interwoven pattern of loops and swirls. They are dusted with a fine layer of white powdered sugar, which is also scattered across the dark, textured surface they are resting on. The lighting is bright, highlighting the texture of the fried dough and the contrast with the white sugar.

THE Funnel Cake FACTORY®

A FAN FAVORITE, DUSTED WITH PURE JOY!

J&J SNACK FOODS
CORP
